

Community Emergency Response Training

*The 21-hours of training begins on:
January 4, 2013*

C.E.R.T. TRAINING IS COMING TO THE ANTELOPE VALLEY SIGN UP NOW!

The **Los Angeles County Fire Department** will present this training to the public free of charge!

Following a major disaster, police, fire and medical professionals may not be able to fully meet the demand. People will have to rely on each other to meet the immediate life saving and life sustaining needs, *particularly* in isolated neighborhoods that may be cut off from the main roads for a period of time.

The County of Los Angeles Fire Department **Community Emergency Response Training (CERT)** program was developed through FEMA to provide basic training in safety and life saving skills for the general public.

The course curriculum covers the following modules:

- | | |
|--|---------------------------------------|
| ✓ <i>Emergency Preparedness</i> | ✓ <i>CERT Organization</i> |
| ✓ <i>Fire Safety</i> | ✓ <i>Disaster Psychology</i> |
| ✓ <i>Emergency Medical Operations-One victim</i> | ✓ <i>Terrorism</i> |
| ✓ <i>Emergency Medical Operations-Triage</i> | ✓ <i>Course Review</i> |
| ✓ <i>Light Search and Rescue Operations</i> | ✓ <i>Disaster Simulation Exercise</i> |

The training course will be presented as a series of **three classes** on January 4, 11 and 18, from 8 AM to 4 PM. You must attend all three sessions to get your certificate of completion.

Antelope Valley College
3041 West Avenue K, Lancaster
Room T503A

North side of the campus, enter off of Avenue J-8

There is no charge for this training course
